Proposed Tariff Modifications:

Addition of new section: Section 4.7.2

4.7.2 Fan Community Service:

4.7.2.1 Service description: New and existing Prepaid Mobile Service subscribers will have the option of an add-on Fan Community service variant that is available for 31 days only during the FIFA World Cup 2010.

4.7.2.2 Conditions:

4.7.2.2.1 The service will be available upon subscription for a flat fee of QAR25 that will be deductible from the customer's credit. The service provides a usage allowance of 1,000 units that can be used for national voice, video calls, SMS within the Fan Community Group only. Each Fan Community member will be entitled to a private entitlement of 1,000 units. Private entitlement units can be used for calls to another Fan community subscriber. In the event that a community subscriber has consumed their total allowance before the event has concluded, the subscriber will still be regarded as a community member for the purpose of receiving calls and messages from other HALA FC subscribers but will be charged at standard outgoing call and message charge rates for any traffic that they subsequently originate to other HALA FC subscribers.

4.7.2.2.2 Any unused units will not be carried forward and will expire at the end of the promotional period.

4.7.2.2.3 Cancellation of the Fan Community Service will not be available and the service will terminate automatically at the end of the promotional period.

4.7.2.2.4 All other terms and conditions of the prepaid mobile service continue to apply.

4.7.2.3 Charging: National call minutes and messages between Fan Community Group subscribers will be depleted from a subscriber's allowance. Each unit is equivalent to 1 minute of calling or 1 message. All other calling and/or messaging service

usage to individuals that are not subscribers of the Fan Community Group will be subject to Qtel's standard prevailing prepaid mobile charge rates, as noted in Section 4.3.
